## ProSynergy Medical Systems Private Limited

ProSynergy Medical System Maldives is focused on improving quality of health care by providing Total Solution through efficient supply of medical devices, medical and surgical equipments, instruments and consumables throughout the supply chain and proactive after sales services.

Pro Synergy integrates cost effective options using state of the art technology to suit requirements, to ensure client satisfaction while keeping the patient at the center of our fundamental focus.

Our Company with a team of health professionals and business executives operate in procurement, supply, installation, preventive maintenance and repair of medical devices, equipments and provision of consumables to ensure uninterrupted and high quality health care services.

### Vision

We aspire to build mutually beneficial relationships with our business partners, be a valued and trusted partner to our clients by striving to continually improve the quality of service and achieving excellence.

### Mission

We seek to provide high quality services with integrity, commitment and consistency, to ensure highest satisfaction to our esteemed clients and business partners.

## Channel Partner

Ortho Clinical Diagnostics.

Ortho Clinical Diagnostics is a leading global provider of in vitro diagnostics. We have an established track record for providing high-quality products and services to the global clinical laboratory and immunohematology communities.

Harnessing the power of reimagination. It's how Ortho Clinical Diagnostics has been transforming in vitro diagnostics for more than 75 years. It's made us a trusted partner of hospitals, hospital networks, blood banks, and labs around the world. And today it's empowering us to advise our customers as they prepare for what's next.
